

VESSEL MANAGEMENT PVT LTD

INTERNATIONAL MANPOWER AND OUTSOURCING CONSULTANCY

The rules for success in the constantly changing professional world are frequently short-lived but if there is one thing we have learned in our more than **10 years** of experience as **International recruiting consultants**, it is the importance of organisations hiring the right talent.

We are a Mysore-based internationally placements consultancy with associate offices throughout Asia and the Middle East. Our team is made up of seasoned experts that have developed their sourcing abilities over time and in various kinds of industries and countries.

MEET OUR HAPPY CUSTOMERS

With Vessel Management, you can be confident that your foundations are in the right hands. We recognize that outstanding talent is the cornerstone of any great organization.

OUR PROCESSES

Two very important things that together form the basis of our vision

- An in - depth understanding of your needs.
- A thorough search for the best talent to meet your needs

WHAT WE DO

Sourcing On Demand

The secret to our success is finding candidates who turn out to be valuable assets to the company.

Executive Search & Selection

Gaining in-depth knowledge of and understanding of our clients' industries, businesses, and level of market competition, which aids in our ability to connect with future candidates.

Manpower Outsourcing

Working effectively with clients to achieve their objectives from an **OFFSITE** location

WHY US?

Vessel management works constantly to create outstanding teams that support the growth of the company.

By doing the following, we hope to establish lasting, trustworthy connections with our clients:

Dedicated Approach

Working on a certain project or industry for a set period of time

Experienced Personnel

Manned by a knowledgeable, skilled team of consultants

Extensive Network

Within specific industry

In-Depth Screening

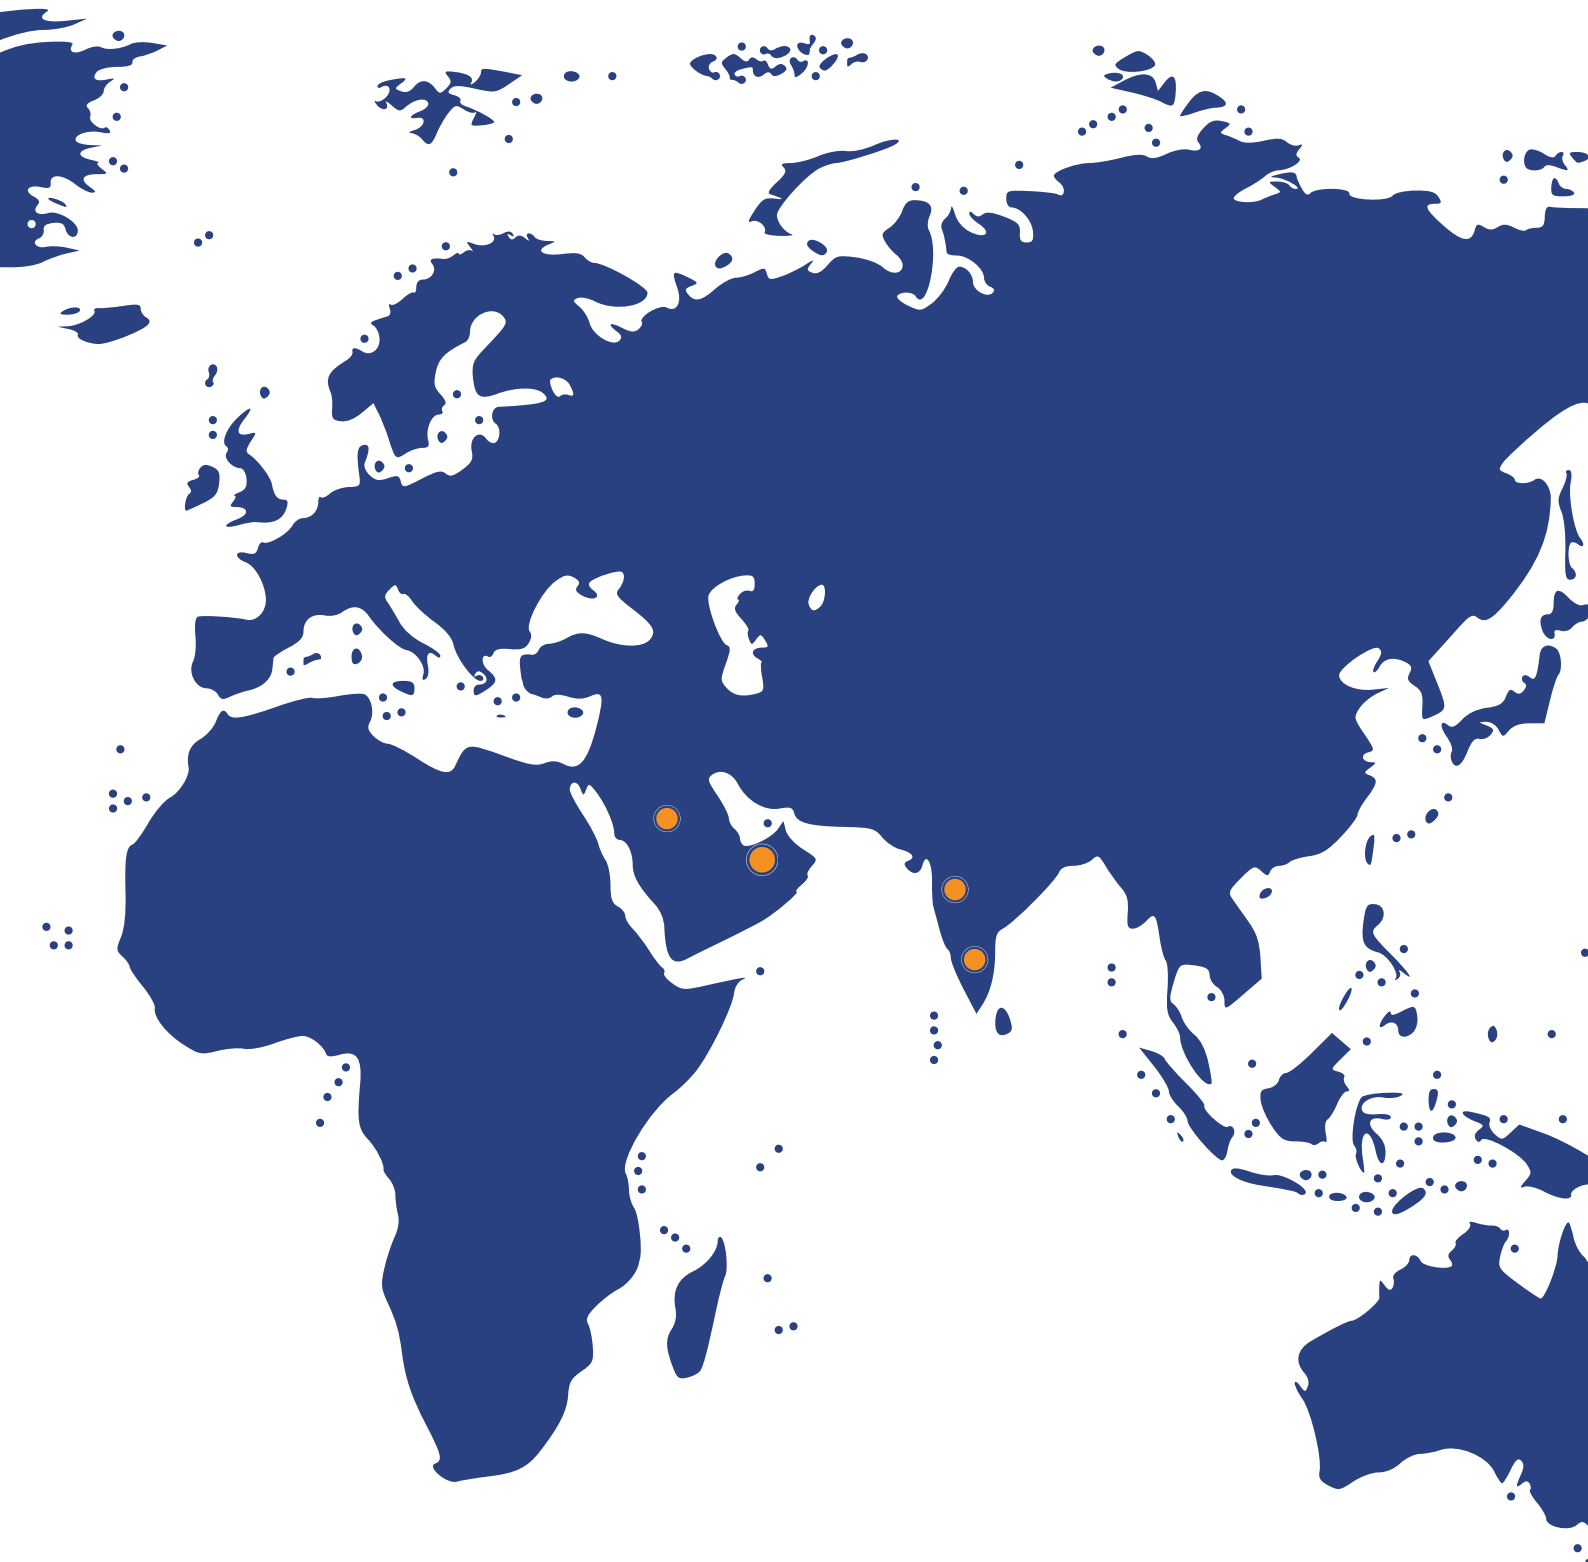

The use of best practices for comprehensive candidate screening

Best Understanding

Job and human details are prioritized for the best understanding.
